

# Messages from Principal Investigator

International Center for Hadron  
Astrophysics

Shigeru Yoshida

The background image shows a hot spring bath. In the foreground, there is a dark, calm pool of water. Behind the water is a low, wide stone ledge. Above the ledge is a wall made of vertical wooden planks. A small, dark, rectangular opening is visible in the stone ledge. To the right, a portion of a white, spoked wheel is visible. The overall lighting is warm and dim, suggesting an indoor or covered outdoor setting.

# The Best Poster Award

# Conclusion

A dimly lit indoor swimming pool at night. The pool is in the foreground, with a concrete deck and a low wall. In the background, a large window looks out onto a snowy outdoor area with some structures and lights. The word "Conclusion" is overlaid in white text in the upper center.

# Conclusion

Enjoy the ~~温泉~~ conference!
